DREAMING OF A BOLD VISION

Dreaming of a bold vision, striking a non-violent revolution, creating ground breaking technology, thinking ahead of times - people who made a huge difference in the world have embraced change. At AGL, we have been leading the change by continuous innovation, setting higher goals, achieving the unthinkable and creating new benchmarks. This has enabled us to emerge as ₹1224cr (consolidated Net turnover for year 19-20) giant in the space decor industry. In the short span of 20 years, we are one of India's largest groups, with a global footprint across 79 countries globally.
